Dear Sir/Madam:

We wish to extend our appreciation for your efforts of removing, replacing and reprogramming the program logic control and running load tests on generators at Fort Drum, New York under purchase/delivery order number DAKF36-01-P-0081.

The professional and conscientious manner in which you supported the 10th Mountain Division's mission is greatly appreciated by this office and the Fort Drum community.

Sincerely,

A handwritten signature in black ink, appearing to read "K. M. Countryman", followed by a horizontal line.

Kathleen M. Countryman
Chief, Purchasing Division
